

James A. Fazzino, Ed. D.
Interim Superintendent

January 28, 2022

Attention All Staff

Important COVID information update

As per discussion with our local Hamilton Township Health Department and in reference to the COVID-19 Public Health Recommendations for Local Health Departments K-12 Schools, the following changes will be in effect February 1, 2022.

1. To be considered fully vaccinated, you must have had your booster vaccination if it has been more than 5 months from your second Pfizer or Moderna Vaccination or more than 2 months from your first J & J vaccination. **This will impact your need to quarantine if exposed, therefore, you will need to quarantine for the recommended 5 days after exposure.**
2. At this time, only the staff that have not received the two-part series of the Moderna or Pfizer vaccine or one Johnson and Johnson vaccine will still need to test weekly, as we have been doing as mandated by the State of NJ. **All others need not be tested.**

There is a vaccination clinic on Monday, January 31st at Mercer Elementary School from 3:30pm-5:30pm for all staff, students, and families.

If you have any questions, please contact your school nurses.

Sincerely,

A handwritten signature in blue ink that reads "James A. Fazzino".

Dr. James A. Fazzino
Interim Superintendent
